

My First Book of Colors (Montessori)

By Chiara Piroddi

Sterling Children's Books. Paperback. Condition: New. Agnese Baruzzi (illustrator). 48 pages. Introducing Montessori-inspired early childhood activity books! This book with eight pages of stickers does more than simply stimulate learning through play: it enhances the cognitive development of the child. The activities become progressively more complex according to the three stages of a child's learning: getting to know the material through sensory experience, recognizing the material, and being able to explain the material. Let's learn to color! Take the outlined shapes and fill them in, try to stay within the lines, and say the name of each color out loud as you draw. It's lots of fun. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
