AN OUTLINE OF SET THEORY (PAPERBACK)

Dover Publications Inc., United States, 2007. Paperback Condition: New. Language: English . Brand New Book. A problem-oriented introduction to set theory, this volume is intended for undergraduate courses in which students work on projects in groups and present their solutions to the class. With all necessary assistance from the instructor, students complete their weekly assignments, write short papers for their classmates, and lecture on their results. This method offers a deeper understanding of the material, as well as a clearer...
