HIRED: AN INSIDER S LOOK AT THE TRUMP VICTORY (PAPERBACK)

WND BOOKS, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Donald Trump s victory is a movement against the establishment and in Hired that movement is best explained. Just as Brexiteers mobilized a people s army, so too has Mr. Trump mobilized the people in the United States. Brexit is a story of a grassroots campaign, of putting on one s walking boots on, delivering leaflets, and going out to meet people in their communities. The same way that Donald J. Trump mobilized people in the United States (from the Afterword by Nigel Farage). On the night of November 8, for hours millions of Democrats stood with their mouth gaping or openly weeping. In the days to follow, the questions on all their minds were How did he do it? Why did it happen? Hired, answers these questions and more as it makes the case for Donald J. Trump through a collection of astute articles by former Oxford professor and senior US government appointee. In more than thirty profound pieces, Dr. Theodore Roosevelt Malloch explains the case for Trump, Trump s worldview, why his opponents failed, the context for his victory, and Trump s policies. Trump heard the will of the people and identified with them. As the twenty-first century Theodore Roosevelt, Trump is a strong and authentic leader who will fix America, defend America, and make it great again.
