Russell House Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Social Work Assessment and Intervention (2nd Revised edition), Steven Walker, Chris Beckett, (R)The process of engaging in an assessment should be therapeutic and perceived of as part of the range of services offered. AZ This DOH view acknowledges that assessment is more than an administrative task, a form of gatekeeping for resources or a means of determining risk. It confirms the need for assessment and intervention to be conceptualised as part of a continuum of contact between social worker and service user. This essential book, acclaimed in its first edition, offers social workers an extensively revised, restructured and updated, comprehensive guide to empowering practice for them and the people with whom they work. It: n takes account of the latest legislative and policy requirements of English law, but also provides significant learning opportunities for practitioners in all parts of the UK n will help qualified or student social workers improve their practice by addressing national occupational standards guidance and embracing government expectations and the regulatory requirements of the General Social Care Council n is geared towards the needs of those on graduate training courses, PQ students, as well as for a range of in-service training in voluntary or statutory social work and social care n combines the two practice elements of assessment and intervention in a unique integrated way consistent with anti-oppressive practice and the foundational values and skills of modern psycho-social practice n is an accessible, practice-oriented guide to contemporary social work in the developing modernising context of multi-disciplinary team working, joint budget arrangements, inter-agency collaboration and social inclusion n addresses the need to deliver high quality care while managing the dilemmas presented by budget constraints and difficult decisions regarding rationing of human and physical resources. Using case illustrations,...
