

## Handbook of Dermatology: For the Use of Students (Classic Reprint) (Paperback)

Filesize: 2.94 MB

### **Reviews**

*This book is so gripping and fascinating. Of course, it is actually perform, still an interesting and amazing literature. You will not feel monotony at anytime of your respective time (that's what catalogs are for about in the event you request me).  
(Prof. Ophelia Wiegand I)*

**HANDBOOK OF DERMATOLOGY: FOR THE USE OF STUDENTS (CLASSIC REPRINT) (PAPERBACK)****DOWNLOAD**

FBC LTD, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Handbook of Dermatology: For the Use of Students In presenting this edition to the consideration of those who desire an insight into the vast field which dermatology offers, no attempt has been made to give a complete manual of the subject. A mere outline of dermatology has been roughly sketched, sufficient to enable the careful reader to grasp enough so as to induce him to pursue the subject further with a somewhat fuller understanding of the various points involved. It is for this reason that pathology has been barely hinted at, as it is so vast a subject that entire works are devoted to the histopathology of skin diseases alone. In order to render this little volume of practical utility, treatment has been made somewhat prominent without rendering it complex. The illustrations given, as well as the plates, are from the author's collection, with the possible exception of a few anatomical diagrams, for which he acknowledges his indebtedness to the admirable drawings of various authors. The writer is under obligations for many valuable hints and much useful information to the leading authorities in dermatology. Foot-notes and references have been omitted, so as not to render the book too cumbersome, but it is hoped that this general acknowledgement will be taken by all in the same spirit in which it is made. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
