However, even with this latest armoured marvel there is hard fighting as the Reds dig in and doggedly defend the island fortress to the last man. Penetrating , authentic and stunning in its detail, the long awaited prequel to the highly acclaimed Tiger Command! is a powerful addition to the series. Based on a true story of combat on the Eastern Front, this atmospheric new novel puts the reader right into the action and unveils the story of how a legend was forged in the heat of the first great battle of the campaign.
