## The Effect of the Internal Auditing on Financial Performance

By Shakir Al-ghalayini

GRIN Verlag GmbH Apr 2015, 2015. Taschenbuch. Condition: Neu. Neuware - Bachelor Thesis from the year 2013 in the subject Business economics - Investment and Finance, , course: Faculty of Commerce - Department of Accounting, language: English, abstract: It was clear from the recent financial scandals and fraud law suits in the international and regional firms that the internal control in general isn't as strong as should and that there are some weaknesses that led to this outcome and that why we are interested to investigate the internal control and the internal observation systems in the listed Palestinian corporations to put the lights on the real reasons and causes for such problem. Many researchers and observers believe that one of the main reasons for such problem is the insufficient reliance on the function of the internal auditor and not assigning this function with its real importance in the companies, especially if we consider how significant is this function becomes as the companies are getting larger and the operations are extending to be more in terms of the volume and the complexity and more importantly the competition is getting tougher among the companies. The internal audit is consider to be a...
