

## A Colorful Being: Mandala Coloring Book (Paperback)

---

By Heidi Taylor

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A Colorful Being - Mandala Coloring Book Indulge yourself with different colors; colors that vary in vibrancy and dullness but combined to make an art piece. Each strike would symbolize your inner yearnings and characters. Each hue would imply the strength of your emotions. Each combination would express how immersed you are at the current moment and how you feel about it. This book contains 50 mandala patterns that have varying intricacies for different levels of thinking. Each style your crayon makes is a step towards being relaxed, mended and more creative. Additional feature of this book is the use of words of wisdom to intervene you every 5 pages of coloring; the refreshing words can lighten your day or make your worries go away. This book gives you freedom in expressing yourself. You can use any coloring medium you like as long as the result would be something that you like. This book is perfect for letting time pass by as you dig into your inner creativity. What are you waiting for? If you are still reading this you are...

### Reviews

*Great e-book and helpful one. It usually fails to cost an excessive amount of. I discovered this publication from my dad and i encouraged this pdf to find out.*

-- **Meagan Beahan**

*Completely essential go through pdf. It really is simplistic but excitement within the fifty percent in the ebook. Your lifestyle period will be change when you full reading this pdf.*

-- **Shaun Bernier II**
