

## Hao Wang. Logician and Philosopher (Paperback)

By -

College Publications, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Hao Wang (1921-1995) was a prolific researcher and writer in mathematical logic, computer science, and philosophy. He is known for the close relation he developed with Kurt Godel during the last decade of the latter's life and the two books about Godel that he published after Godel's death. This volume of essays covers to some extent each of these fields of Wang's activity but with greatest emphasis on philosophy. Wang spent the first twenty-five years of his life in China and continued to identify himself as Chinese, and in later years he returned to China several times. The volume adds to the picture of the Chinese side of Wang and his engagement with the intellectual life of his own country during a turbulent period. Wang's writings in Chinese are surveyed, and two translations are included of short essays on two Chinese scholars, his teacher Jin Yuelin and his friend from student days He Zhaowu, as well as a short memoir of Wang by He, written shortly after Wang's death. Another writing of Wang published for the first...
