Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.On the cusp of breaking into the art scene, a series of unfortunate and bizarre events left Melissa and her children homeless. By sharing the journey to reclaim her lost footing, the reader is able to vividly embrace the private domain and emotional landscape of being homeless. It includes many tales from the road as Melissa found refuge and strength from a colorful cast of characters including the grizzled old-timers who have long made the streets their home, young anarchists who left civilization behind to live on a mountain, a group of Rainbow Family vagabonds surviving a failing commune, and the fellow residents of the community homeless shelter where she finally found rescue and an inspirational second chance. Now back on her feet, Melissa offers this memoir as a way to provide a voice for the many people who have felt abandoned while experiencing homelessness. You ll get to learn most of what you wanted to know about the homeless condition and maybe write a book, maybe even meet a couple people that will become lifelong friends BUT in order to accomplish this you ll have to experience all of the hardships firsthand, the bedbugs,...
