Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Some time ago I had become very interested in learning more about the Catholic Church because it seemed more than okay to many Christians; they saw it as being quite good, and considered it as just a different flavor of Christianity. So I purchased a newly released and very thick book that had been written under the direction of the Pope. The book was entitled Catechism of the Catholic Church and it contained the official doctrines of the Church. In this official book of Catholic doctrine I found what I was looking for and I began a long, and diligent study of their major teachings. I ended up condensing the book s eight hundred and three pages down to six pages, focusing on six of the most important teachings of the Catholic Church. I compared these doctrines with associated teachings from the Bible, and the outcome is this very short book.
