

## Money and the Art of Losing Control: A Story about Friendship on the Road or Just a Matter of Time

Filesize: 6.26 MB

### **Reviews**

*Absolutely one of the best pdf I actually have possibly read. Better then never, though i am quite late in start reading this one. I realized this book from my dad and i encouraged this ebook to discover.*  
*(Ms. Beth Conroy V)*

## MONEY AND THE ART OF LOSING CONTROL: A STORY ABOUT FRIENDSHIP ON THE ROAD OR JUST A MATTER OF TIME

J A Comedia, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.John, 46, meets Elsa, 86, and together they go for a hilarious trip to help their friend who has just returned from West Papua. The collision of their very different life experiences results in a strange dialogue in which John discovers new perspectives and solutions to life's big questions. On their rescue mission, their friendship matures through a number of unexpected trials. Money and the Art of Losing Control is for those of you who are interested in how to make and spend money with a clear conscience and who would like to understand more about economics than you can learn at a university in Chicago. It is also for those of you who would like to know how religion, thermodynamics, humour, sex and philosophy can be combined into a simple working formula for a really good life. For a philosophy of a complete life to prevail, it has to admit humanity. ----- The Swedish Road to the MQ If you enjoy the films of Ingmar Bergman and the books of Robert Pirsig, you'll enjoy this book. It's often forgotten that much of Pirsig's second book, Lila. An Inquiry into Morals was written in a wood cabin on the Swedish coast. Money and the Art of Losing Control expands on the rather bleak atmosphere of the former to the knife edge of credibility. In a country that is cold and dark for much of the year, it should come of no surprise that the Swedish approach to life has developed an underlying black humour with a touch of stoicism and the rather uninhibited Scandinavian view (at least for my reserved English eyes)...
