Reviews

The very best book i at any time read. It generally does not price an excessive amount of. I discovered this publication from my dad and i recommended this book to understand.

(Joesph Hettinger)

THE PRESIDENCY IN THE COURTS (PAPERBACK)

University of Minnesota Press, United States, 1957. Paperback. Condition: New. Minnesota Archi. Language: English . Brand New Book. The Presidency in the Courts was first published in 1957. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. Do the American courts restrain the President from committing illegal and unconstitutional acts? If so, how? These are the fundamental questions which are answered here through a systematic and comprehensive analysis of the opinions and decisions of the courts themselves. As Clinton Rossiter, author of *The American Presidency*, points out, Too many books on the Presidency deal with the powers of this great office, too few with the restraints that fix its place in our system of government. Students of the system will be grateful to Professor Schubert for this tough-minded, even-tempered, exhaustive study of a neglected aspect of the Presidency. Professor Schubert analyzes hundreds of judicial cases, both federal and state, involving challenges to the legality of presidential action. The period covered is the entire lifetime of the republic and the material is arranged according to the President's major institutional roles, those of chief administrator, chief of state, commander in chief, and chief magistrate. There are chapters on presidential management of public personnel and the public domain, his control of foreign relations and the tariff, his military powers, enemy aliens, the presidential seizure power and other emergency powers, legal sources of presidential power, due process in presidential lawmaking, and the scope of judicial review of presidential action. Both the theory and practice of presidential rule making and adjudication are examined in detail. The book, the first of its kind, reveals how far from actuality are the generally held beliefs regarding the power of the courts...
