

American Witches: A Broomstick Tour Through Four Centuries

By Susan Fair

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The history of American witches is way weirder than you ever imagined. From bewitched pigs hell-bent on revenge to gruesome 20th-century murders, American Witches reveals strange incidents of witchcraft that have long been swept under the rug as bizarre sidenotes to history. On a tour through history that's both whimsical and startling, we'll encounter 17th-century children flying around inside their New England home like geese. We'll meet a father-son team of pious Puritans who embarked on a mission that involved undressing ladies and overseeing hangings. And on the eve of the Civil War, we'll accompany a reporter as he dons a dress and goes searching for witches in New York City's most dangerous neighborhoods. Entertaining and rich in amazing details often left out of today's texts, American Witches casts a flickering torchlight into the dark corners of American history.

Reviews

A very wonderful pdf with perfect and lucid explanations. This can be for those who state that there had not been a worth reading. Once you begin to read the book, it is extremely difficult to leave it before concluding.
