

## A View From The Foothills: The Diaries of Chris Mullin (Paperback)

By Chris Mullin

Profile Books Ltd, United Kingdom, 2012. Paperback. Condition: New. Main. Language: English . Brand New Book. It is said that failed politicians make the best diarists. In which case I am in with a chance. Chris Mullin Chris Mullin has been a Labour MP for twenty years, and despite his refusal to toe the party line - on issues like 90 days detention, for example - he has held several prominent posts. To the apoplexy of the whips, he was for a time the only person appointed to government who voted against the Iraq War. He also chaired the Home Affairs Select Committee and was a member of the Parliamentary Committee, giving him direct access to the court of Tony Blair. Irreverent, wry and candid, Mullin s keen sense of the ridiculous allows him to give a far clearer insight into the workings of Government than other, more overtly successful politicians. He offers humorous and incisive takes on all aspects of political life: from the build-up to Iraq, to the scandalous sums of tax-payers money spent on ministerial cars he didn t want to use. His critically acclaimed diary will entertain and amuse far beyond the political classes.
