Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Harborwalk, Phase I: Signage System; Qualifications Package for Boston Redevelopment Authority; January 4, 1989 Institutional or non-profit entities have much in common with corporate organizations. Each needs clarification of its mission, identity, and marketing. The Boston-area YMCAs are about to embark on a large capital fund-raising campaign to redo a number of branch Ys. Prior to this campaign, the Building Committee of the Y wanted to attempt to explore decor and environmental graphics programs which could be implemented at all ten of the branches designated for renovation. Favermann Associates was hired to create this decor and environmental graphics program. Beginning with a review of historic sports and athletic symbols and signs, a new series of symbols has been created. Questionnaires have been developed to aid the administration in focusing on their own branches design needs. Included in the overall program will be color selection for walls and counters, signage, banners, flags, lighting recommendations, and material choices. A Fall 1986 installation is scheduled.
