Tate Publishing Enterprises, United States, 2015. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There are over 2.3 million Vietnam veterans who share a very similar experience to the one that the author had faced during his tour of duty in Vietnam. Their experiences may be different from his but can give the reader an idea of what the average combat veteran went through in Vietnam during their tour of duty. This is just one of the untold stories like those of many other veterans who have kept their experiences bottled up in their deepest memories. This book can relate to the loved ones of these veterans, of the memories and nightmares that they have went through and could never seem to find the words to talk about.
