

Exotic Animal Medicine: A Quick Reference Guide (Paperback)

By Lance Jepson

Elsevier - Health Sciences Division, United States, 2016. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Exotic pets are more popular than ever before, so make sure you are ready to care for everything from rats to songbirds with Exotic Animal Medicine: A Quick Reference Guide, 2nd Edition. Expanded with three all new chapters and updated content, this new edition provides the key points on differential diagnoses and diagnostics, along with background information on a wide variety of exotic pets, to veterinary practitioners who may or may not be experienced with exotics. Its practical quick-reference outline format makes it easy for you to see the conditions likely to be encountered within a species; develop a potential differential diagnosis list quickly; initiate an investigational plan; and view treatment regimes. Covers the most commonly encountered exotic species in one text, making it a succinct and practical clinician's guide to diagnosing and treating a wide variety of exotic pets. Expert advice on diagnostic approaches, clinical techniques, anesthetic protocols, and treatment regimens offers an invaluable source of useful clinically applicable material. Organization of chapters by species and clinical signs enables you to access information easily and efficiently. User-friendly outline format allows the...
