By Johnny Markus

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Short for meal preparation, meal prep is the act of planning, preparing, and packaging your meals and snacks in advance, typically for the upcoming week, with the intention of clean eating and portion control. It is the key that helps many people reach their health and fitness goals. Keep in mind there is no right or wrong way to do meal prep, as it s all about what works for you personally. The ultimate goal is to save time in the kitchen and to have access to healthy meals during the week. Some people find they like to prepare their breakfast, lunch, and dinner for the week, while others will only prep one meal for each day. Set aside some time for initial planning and cooking, and you will be amazed at the many benefits meal prep has to offer. This Book Will Help You to: You will save money It will help you lose weight Grocery shopping will become easier You will learn the art of portion control You won t waste food You will save time Although you do...
