Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Annotated. Language: English . Brand New Book ***** Print on Demand *****. The Angels of Mons-The Bowmen and Other Legends of the War is a classic World War One short story collection by Arthur Machen. The Angels of Mons is a popular legend about a group of angels who supposedly protected members of the British Army in the Battle of Mons at the outset of the First World War. Though the story itself is nothing, it has yet had such odd and unforeseen consequences and adventures that the tale of them may possess some interest. And then, again, there are certain psychological morals to be drawn from the whole matter of the tale and its sequel of rumours and discussions that are not, I think, devoid of consequence; and so to begin at the beginning.
