Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Mrs. Josiane Collins)

2121 - A FUTURE HISTORY OF THE UNITED STATES

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 188 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. The year is 2121. Through a combination of voter apathy and religious extremism, the United States has come under the control of a fanatical, ultra conservative, church organization. The Church has now changed the country from a Democracy to a Theocracy. Everyone is required by Law to be a member of and support The Church. The tactics of the Inquisition have returned to control and terrorize the population. Summary arrest, detention, torture, and even execution are used by Church authorities to maintain their authority and eliminate anyone seen as a potential challenger to their position of power. A new era of poverty and despair face the population. Timothy Roberts has been arrested and brought before the Archbishop on charges of being suspected of being a heretic. He is rescued from a certain horrible death by a clandestine group determined to overthrow those in power and restore freedom and democracy to the United States. He is informed he is vital to the success of their plan. Tim cannot believe he is the key to victory, BUT HE IS. He must play a role for which he and he alone, is qualified. His experience and training while with this group prepare him for his destiny, but no amount of schooling can prepare him for the shock he experiences when he learns why he has been chosen. Secret passages, highly sophisticated tools, near perfect disguises, and close cooperation with others play a part, but the final act depends entirely on Tim. Will Tim be able to overcome his fears, doubts, and feeling of inadequacy to accomplish his mission The fate of the entire country hangs in the balance. Failure will result in a...
