Bolinda Publishing, United States, 2012. CD-Audio. Book Condition: New. Unabridged. 168 x 137 mm. Language: English . Brand New. In this last Little Fur book, the gentle healer must face her most deadly quest - severed from the flow of earth magic, she must solve the riddle of her birth to save herself. The setting for the Little Fur stories is reminiscent of the great fairytale classics - a world that hints of the European village, but that could exist anywhere, in any country, at any time: a timeless world of great charm and mystery. Not since C.S. Lewis have we seen such enthralling fantasy tales for younger readers - the Little Fur books are destined to become classics of their genre.
