Big Data: Understanding How Data Powers Big Business

By Bill Schmarzo

Wiley India Pvt. Ltd, 2013. Softcover. Condition: New. This book provides "how to" advice and a series of pragmatic methodologies (with accompanying hands-on exercises) for helping organizations leverage big data analytics to power, or re-wire, their value chains. Organizations struggle identifying where and how to leverage these new structured and unstructured data sources and new big data technology innovations to delivery business value. Consequently, many organizations default to taking a technology-led approach to their big data strategies. Leading companies find ways to leverage data -- especially new sources of data -- to tease out new insights about their customers, products, operations, competitors and markets. And these organizations leverage these insights to improve their customer experiences, create new, more compelling products and create new sources of competitive differentiation. Preface Introduction 1 The Big Data Business Opportunity The Business Transformation Imperative Walmart Case Study The Big Data Business Model Maturity Index Business Monitoring Business Insights Business Optimization Data Monetization Business Metamorphosis Big Data Business Model Maturity Observations Summary 2 Big Data History Lesson Consumer Package Goods and Retail Industry Pre-1988 Lessons Learned and Applicability to Today`s Big Data Movement Summary 3 Business Impact of Big Data Big Data Impacts: The Questions Business...
