Brand New Book ***** Print on Demand *****.This book is online for free at /content/col11376/latest/ . The values people hold influence their social judgement and decision making process. Beliefs pertain to knowledge, how true a belief is can be verified by your knowledge, and how true your knowledge is can be verified by your beliefs (if the knowledge pertains to your beliefs). In any social encounter, people make evaluations of each others attitudes, opinions and beliefs (and, indirectly, their values). This book goes through and discusses various values and value statements and their relevance in a psychological context.
