## Natural Law The Moral Foundation for Social and Political Civility

By Jeffrey D. Breshears

Areopagus, The. Paperback. Book Condition: New. Paperback. 44 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. The America of the past is fading fast. A culture war that was simmering mostly beneath the surface for generations has erupted in the past several decades into a raging conflict that pits starkly contrasting (and often irreconcilable) worldviews, ideologies, and value systems against one another. The effects of the culture war are apparent as our society and institutions are becoming increasingly polarized and dysfunctional which is why our political leaders seem so incapable of handling even the most obvious problems. There is political gridlock in Washington, D. C. because there is moral and cultural gridlock in American society in general. This being the case, is there any common ground between social conservatives and liberals when it comes to accepting a baseline for morality, ethics, and civility? In fact there is, and it derives from a universal truth that was generally acknowledged and accepted until recent times: the concept of Natural Law. All societies would be better if they were regulated by Biblical principles. But mainstream society is not Christian, and as Christians we cannot and should not attempt to impose specifically Christian values on nonbelievers....

### Reviews

*Excellent electronic book and valuable one. We have read and so I am sure that I am going to likely to study again once more in the foreseeable future. I am just happy to inform you that here is the very best book I have read during my personal lifestyle and might be the greatest book for possibly.*

-- **Brendan Wuckert**

*Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Mr. Noah Cummerata IV**
