Createspace, United States, 2012. Paperback. Book Condition: New. 277 x 213 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is designed to help people who seek their first federal government job as well as federal employees who want to advance in the system. The process of getting a government job often involved preparing complex applications or specialized resumes which include the resumix. One complication of the federal hiring process is that the resume used for federal employment is not the same as the resume used to obtain civilian employment. This book shows real examples of effective federal resumes and the resumix which worked for real people. This book will do a great deal to make the federal hiring process understandable as it illuminates one of the most complex features of getting a government job: writing the federal resume or resumix. Praise from job hunters who have used the Government Jobs Series: Even if you post your resume online or through the Government's Resume Builder, you need to develop a strong written draft first. This book will show you how. A. Howie, book reviewer I learn best by example, and the samples I found in this book showed me how to create a resumix. T. Jameson, government employee Getting into the federal government system is a complex process, and that process is made easier by the guidance in this book. J. Lampros, book reviewer How to write an effective resumix mystified me until I followed the formats provided by the Government Jobs Series. A. Cageline, government employee Some books talk about what you need to put into KSAs. This book shows what to do in sample after sample, and the real examples helped me get a big promotion. J. Sadisamo, government employee After I left...
