*Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Trade related aspects of intellectual property rights. Bibliography. Index. Intellectual property rights traditionally have been matters of national concern. Individual nation states have developed IPR regimes reflecting their national needs and priorities. Over time, intellectual property protection and enforcement have come to the forefront as a key international trade issue for the United State, figuring prominently in the multilateral trade policy arena and in regional and bilateral U.S. free trade agreements (FTAs). The protection and enforcement of IPR in the United States and abroad is of key interest to Congress. Intellectual property is an increasingly critical component of the U.S. economy. Industries that rely on intellectual property protection in the United States claim to lose billions of dollars each year due to overseas IPR infringement. These is also concern about the potential health and safely consequences of counterfeit pharmaceutical drugs and other products, as well as the link between terrorist groups and traffic in counterfeit..
