Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

The evenings were now considerably longer than when they had first met, and they sat before the windows to take their tea and to converse, while they enjoyed the beautiful prospect, and were led by their pious instructress to magnify the Lord in his works. When the tea-equipage was removed, and order restored, the lady of the manor commenced her instructions with a reference to the subject of their last conversation. The sinful desires of the flesh, said the lady of the manor, are a root of bitterness, shooting out its branches in every possible direction, and bearing fruit unto death, while its seeds are scattered unto the four winds of heaven. When we last met, proceeded she, I presented you with an example, which you no doubt thought an exceedingly lovely one, of the will of a human creature effectually brought under control to that of God.
