## BEYOND REACH?

Longstone Books. Softcover. Book Condition: New. First Edition. Available Now. Book Description: Beyond Reach? employs a fact-cum-fiction plot to tell a witty story of how a feisty young married woman inspires a church minister to join the campaign. The result is an explosive mix that takes them into a world that neither bargained for. Their relationship energises them for the campaign, leading them to an expos of government duplicity, of how the claims made about more aid and debt relief were far from all they seemed. This is also a story about forbidden love and the meaning of life. The relationship of the book s two main characters is set against a background of faithfulness, commitment, weakness and opportunity. The author draws on almost 50 years experience of campaigning on development issues to pack the book full of campaigning ideas. This is book for anyone who supported the Make Poverty History campaign, who bought a wrist band, or who just wants a good read about one of the most important issues of our time. Royalties from the book go to agencies working to eradicate poverty. : Review: Beyond Reach? is a wonderful tribute to all those ordinary people who take action against the scandal of global poverty. For those of us who took part in the Make Poverty History campaign, it's also great to revisit the experience of that year --John Hilary: A gripping and inspiring story of forbidden love and the struggle for justice. In a hundred years people will look back on our culture of greed and realise books like this helped change the world --David Rhodes: A revealing story about a scandal of our time, witty, sharp - and above all urgent --- Rosie Boycott : About the Author: John Madeley is a journalist and author, and...
