PROBABILITY AND STATISTICAL INFERENCE: VOLUME 2: STATISTICAL INFERENCE (PAPERBACK)

Springer-Verlag New York Inc., United States, 2011. Paperback Condition: New. Language: English. Brand New Book ***** Print on Demand *****. This book is in two volumes, and is intended as a text for introductory courses in probability and statistics at the second or third year university level. It emphasizes applications and logical principles rather than mathematical theory. A good background in freshman calculus is sufficient for most of the material presented. Several starred sections have been included as...
