Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The American Egypt a Record of Travel in Yucatan We should need many months of careful study in Java, the Malay Peninsula, Ceylon and India. If investigations there proved satisfactory, the next step would be to follow the route we have suggested as that taken by the migrators in a vessel as similar as possible to those it may be presumed they employed. Along the route a more minute study of the archaeological remains on the islands of the Caroline and Marshall groups than has yet been undertaken could be made. Thence the voyage would be continued to the American mainland, where a thorough investigation of the country between the coast and Com would probably yield valuable data But such an expedition would require an outlay of thousands of pounds and would occupy two or three years, much of which would have to be spent under such hardships as only enthusiasts could contemplate.
