BLOODAXE BOOKS LTD, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. Almanacs: a mythic scrapbook, bag of cats, a one-man band. Jen Hadfield's Almanacs is concerned with lists, rules and archetypes and what they don't account for. It takes as its subjects the Tarot, the lore of Full Moons, weather myths and travellers tales. The book's central sequence, Lorelei's Lore, is a road movie in poems, set in the north of Scotland: Ultima Thule, hijacked by elusive sirens and Harrier jets. There's the ruthless Lorelei, gorgeous Ghosty who's given up on everything except the Road, and Skerryman, patron saint of bad weather and absence-makes-the-heart-grow-fonder. It's obsessed with yearning, like the two seas separated by the tip of Shetland metres apart/and desperate for each other. Lorelei's Lore wonders what's beautiful? (tarmac? sheep carcasses? sunburn?) and where's your native home?.
