Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This self-guided study through Paul's letter to the Philippians allows the reader to study in depth this wonderful portion of the Bible. While the author's comments are helpful, the focus of the book is the reader's personal journey with the text itself. The SIMPLE Way journaling method outlined within the book trains the reader to look closely at the biblical text and milk it of its meaning. The reader will not only ask What? but So what? How does this passage affect me? Rather than listening passively to what others are saying about the text, the reader will discover his or her own ideas. The reader may choose varying levels of interaction with the text. Reading, writing and memorizing selected passages will progressively internalize the text's message for the reader. So enjoy, and let the inward journey begin!.
