Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.

BIRDBATHS AND PAPER CRANES (PAPERBACK)

Plume Books, 2002. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Syndicated columnist Sharon Randall s writing style is intensely personal and unmistakably authentic, as if she were writing a letter to a trusted friend. She shares stories of how her blind brother once tried to drive a car; her sister lost a wig on a bumper car ride; her husband coached basketball while battling cancer; and her oldest child grew up to be -not a real doctor, but play one on TV.- In Randall s hands, even stories about ordinary things--from a broken birdbath to a rusty porch swing to a thousand paper cranes--all shine with extraordinary meaning and grace. Laughing or crying, readers will surely see in her stories some of their own, and may look at life in a new way.
