Visit to your doctor can wait, of course, because right now nothing is wrong with you. You are perfectly okay. And then one day you are running to congratulate your son, who has perhaps just graduated from his high school or maybe you are getting late for some appointment and suddenly, an excruciating pain arises in your chest and goes to your shoulder. you want it to subside but the pain keeps gripping you. You feel as if your life is at an end. But you don t want it to end. There is so much to do. But you can t stand on your feet anymore. You feel yourself falling, falling,....
