WHAT IF.? WHAT IF GOD IS REAL AND I CAN PROVE IT? (PAPERBACK)

Rosedog Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What if Carlton Harry Clunn said he KNOWS God is real, not he believes God is real? Many of you might be inclined to say Prove it. That is precisely the purpose of this book. Clunn intends to submit enough evidence that you will not be able to equivocate or deny that God exists. All the things that you are about to read are true. Clunn has not exaggerated or embellished any of what you are about to encounter, with the exception of the pretense of his being an attorney and presenting the case to you, the jury. It will seem, at times, that what has happened in Clunn s life is not of this world. The fact is many of the things you will read are not. However, they are true nonetheless. In an attempt to show that he is no one special, Clunn has also related some of his other life experiences. Some of them are good, some humorous, and some downright bad; all, hopefully, entertaining or informative. Miracles are only done in order to reveal God and His character to us. They don t happen to everyone, but sometimes what happens in one person s life touches those around them. May that be the case with you. This book is not about religion. It is about encounters with God and the adventures that come with having a real relationship with Him. Carlton Harry Clunn received his bachelor s degree from the United States International University, where he graduated Magna Cum Laude. He majored in philosophy and minored in religion. His many professions have included, among others, bank manager, high school teacher, and junior college teacher. He was also a...
