Craft Your Stash (Paperback)

By Lisa Fulmer

Design Originals, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. This book offers 20 stash-busting projects to renovate craft cast-off. It is an inspiration for taking control of creative spaces of all sizes. It includes practical, economical solutions that embrace the popular upcycling trend. If you love crafting, you love craft supplies. You have an ever-increasing stash of fabulous fabric, paper, stamps, beads, ribbons, glitter, paints and more. But if your treasure trove has grown so much that every bin, box and cupboard is overflowing, it may be time to stop collecting and start creating! This ultimate hoarder's guide is packed with creative inspiration and ideas for getting the most out of your craft supply stash. Use this book to take control of your crafting life and start using your materials like a pro. Whether you use a dedicated craft room or just a corner of the kitchen table, you will learn how to maximise your space, manage your materials and make time to make. Author Lisa Fulmer reveals the secrets of well-organised crafters, from substitutions and work-arounds to handling mistakes. She challenges you to use up what you've got on hand, with 20...

Reviews

I actually started looking at this pdf. it was writtern extremely properly and valuable. I am very happy to inform you that this is basically the greatest book i have read through during my very own daily life and might be he finest pdf for actually.

-- Jacey Krajcik DVM

This book is definitely worth getting. It usually will not price too much. Its been printed in an extremely simple way in fact it is only right after i finished reading this publication where basically altered me, modify the way i think.
