## ONCE UPON AN APOCALYPSE: BOOK 1 - THE JOURNEY HOME - REVISED EDITION (VOLUME 1)

Pine City Press. Paperback. Condition: New. 382 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. Authors note: This is a complete revision of the original book. It has been revised to reflect a 1st person point of view for each chapters main character. Take note of which character leads the chapter title. This will help make the flow of thoughts smooth. This is not a book on religion or religious ideology, however, two of the main characters are Christian. They pray often and acknowledge Gods influence upon the events taking place. If you find praying, acknowledging God, or seeing Jesus name used in a positive context offensive, then I suggest you do not read this book. These are strong characters, who I think many can relate to. I hope you enjoy the book. The Day The day was like any other day until it became The Day. At 4: 05 p. m. the United States was attacked with an Electro-Magnetic Pulse (EMP) weapon. A 20 mega-ton nuclear warhead was detonated high in the atmosphere above Kansas, blanketing most of the contiguous United States and parts of Canada and Mexico with an electro-magnetic pulse that damaged nearly all microprocessors and electronic controls beyond repair. Nearly every system that depends on computers and electronics has ceased to work. The electrical grid goes down. The water system goes down. The sewer system goes down. The phone system goes down. The cellular system goes down. Cars stop. Tractors stop. Radio and TV stations go dark. The internet is no more. No more ambulance services. No more emergency services. No more government services. No more 911. In the twinkle of an eye America is sent back deep into the 19th century. Jill Barnes, a single mom, finds herself stranded on the side of Interstate 459 near Birmingham, Alabama....
