By Reid Venable

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Selected List of References Relating to Irrigation in California The purpose of this circular is not only to assist the irrigation specialist who desires to keep fully abreast with the information on his subject that is available in printed form, but also to interest farmers, students, engineers, lawyers, and the general public in a broader knowledge of the historical background of the development and practice of irrigation in California. This list is not intended to be a complete bibliography of the subject, being confined to publications issued by public or semi-public agencies or institutions. Textbooks are not included because of their general application, although it might be added that in California the following are generally accepted as standard, viz.: Hilgard, Soils, containing many references to irrigation in California; Wickson, California Fruits and How to Grow Them; Fortier, Use of Water in Irrigation, Etcheverry, Irrigation Practice and Engineering; Harding Operation and Maintenance of Irrigation Systems Chandler, Elements of Western Water Law; and Wiel, Water Rights in the Western States. Standard periodicals containing frequent references to the...
