One of the premier and most well-known aspects of Wicca revolves around the use of candles and herbs. In this book, both Candle magick and rituals or magicks performed with simple herbs are explored in depth. From history to use, supplies to timing, everything the beginner practitioner could need to know is found here. Herbs have a long history with the craft. Used in everything from teas to oils, sachets to charms, there is a use for most herbs and a need for a variety in your Wiccan Kitchen. This book will guide your hand and your search as you learn the ins and outs of this most fundamental of magicks, discovering the wealth that can be found in the worship and the peace that comes with a properly performed, or used, ritual.
