Brand New Book ***** Print on Demand *****.WE ARE WIRED TO FAIL WITH MONEY AND INVESTING. Most books misinform, or intimidate the reader, and often are not backed by real life experience. This book is a one of a kind, comprehensive, straightforward, and easy to follow guide to investing. It s written by an experienced investor trained in the value investing, Buffett-Graham school of thought. Like no other book, it covers both the intellectual and emotional discipline needed to be a successful investor. It provides the proper philosophy, shows the path, and emphasizes the principles required to keep and grow your wealth over a lifetime. Over more than a decade, Bogumil has assiduously assembled a set of rules from the writings and the speeches of the world s most lastingly successful investors: these rules have become his chosen investment discipline. [...] He has written a great road map for young investors as well as a thoughtful and very readable guide to spare older neophytes the most common investment mistakes. - Francois D. Sicart, Founder and Chairman of Tocqueville Asset Management. Now comes his book. Obviously, Bogumil was augmenting what we were teaching him over the years about the investment process with extensive readings by the great thinkers on this subject. Unlike some of these tomes, however, Bogumil s Outsmarting the Crowd is an easily digestible, common sense approach to a subject that is too often wrapped in jargon made to make it appear more difficult and less intuitive than it actually is. - Robert W. Kleinschmidt, President, Chief Executive Officer and Chief Investment Officer of Tocqueville Asset Management.
