New Dawn Ministries, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Fifteen years have passed since Hurricane Irene hit South Florida by surprise in 1999. For an entire year before the hurricane hit, a group of God's people had been warning it would hit by surprise, and had even been interviewed by a local NBC affiliate because of their prediction. That interview aired twelve days before Irene had begun to form (the interview is available to watch on [hurricanirene.com](http://hurricanirene.com)), and it undergirds the facts contained in this book. God spoke clearly to a group of people so that a major disaster might be averted in the South Florida area. This book recounts the history of how God prepared a people to stand in the gap for South Florida, and invites us to take our places on the wall, using the keys of authority that Jesus granted to his Church. The Lord is always seeking those who will stand in the gap. This book will help you learn a bit more about how that is done, and it will inspire you to seek the Lord and his voice at an even higher level.
