S. G. P. O. Congressional Sales Office, 2003. OCLC Number: (OCoLC)52142934 Subject: Educational accountability -- United States -- States. Excerpt: . . . 11 Whether or not we do it must finally depend on how we feel about the fact that we havent so far. With such inspiration, our Coalition constructed a very brief statement of purpose (see Appendix V), which includes these words: If our American democracy is to endure and prosper, it cannot be as a society that tolerates two systems of education - one of high expectation for the children of the fortunate and one of lesser standards for children of poverty and color. . . . Perhaps for some there is no crisis in education, but for our most vulnerable children, it is more than a crisis: It is a State of national emergency. We commit to this challenge, not just because it is the right thing to do, but because it is nothing less than a moral imperative. Finally, thank you for this law. You did not call it some children left behind or the usual children left behind but instead no child left behind. If you stay the course, so shall we. We are Americans. We can do this. We must do this. Thank you. Attachments I-V follow: VerDate 11-MAY-2000 10: 15 Apr 01, 2003 Jkt 000000 PO 00000 Frm 00015 Fmt 6633 Sfmt 6621 S: DOCS 81758.
