Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Michael E Jordan (illustrator). Language: English . Brand New Book ***** Print on Demand *****.Each morning I start my routines with prayer and meditation. Then I read a little out of three spiritually related books and a science book. I try to find two spiritual principles that have applications for that day. Then I try to apply those principles all that day. Later on, I send encouraging texts to friends and put my encouraging posts on Facebook for my friends and followers. Some time ago I started posting to Facebook as a part of my routines however I began the rest of it years ago. It is a simple routine that I accomplish every day and it has taken me from loneliness and despair to the greatest happiness, peace and serenity that I have ever known. To let myself receive the love of God on a consistent basis is to learn the greatest gift. It is an honor to bless others with effective use of and to apply spiritual principles. I hope the same things can happen for you.
