## WHAT DADDY NEVER TOLD ME: 7 CONVERSATIONS EVERY PARENT SHOULD HAVE WITH THEIR CHILD (PAPERBACK)

David A. Veney Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ignorance is not bliss! Many of the difficult struggles we encounter in life are a direct result of what we do not know and we do not know because there are those, who have been entrusted with the responsibility of teaching, who have not told us. How often do we look at our present conditions and say, If I knew then what I know now I would not be dealing with this! ? Or, I wish someone would have told me this! In this book, David A. Veney shares with you some of his struggles growing up that came as a result of not being told. What Daddy Never Told Me: 7 Conversations Every Parent Should Have With Their Child serves as a warning to the possibilities of being an ill-informed child trying to traverse through the difficult path of life and also yields itself as a tool in assisting the parent who has knowledge but may struggle with how to pass on that knowledge to the next generation. Many argue over what the most important part of a relationship is, for David it is simple, communication. Love is affirmed by it, trust is solidified through it, and knowledge is gained from it. What Daddy Never Told Me establishes a foundation for building solid, impactful parent child relations by targeting 7 very basic, yet pertinent, conversation topics that are essential to the development of every child. The author also submits suggestions on how and when to start these dialogs. What Daddy Never Told Me: 7 Conversations Every Parent Should Have With Their Child is a must have if your desire is to experience the joys of true nurturing and bonding...
