InterVarsity Press, United States, 2012. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book. The Church of Jesus Christ of Latter-day Saints is as American as apple pie, writes Robert Bowman in this booklet-length introduction to the Mormon faith. Addressing the growing curiosity of the American public, Bowman leads with a synopsis of former governor Mitt Romney s Mormon heritage and then recounts the history of the Church of Latter-day Saints (LDS) from Joseph Smith and Brigham Young to the present. Bowman concludes with a summary of the unique tenets of faith arising from the Book of Mormon, pointing out places of divergence from typical evangelical readings of the Bible. Bowman s snapshot of this most American of all religious movements makes for essential reading as we enter election season.
