It is in a single of the best pdf. Better than never, though I am quite late in starting to read this one. I realized this ebook from my dad and I encouraged this publication to understand.

When in opposition, both parties have sought to regain control of the government through demonstrations, labor strikes, and transport blockades. Bangladesh is one of the poorer countries of the world. The largely agricultural economy suffers frequent and serious setbacks from cyclones and floods. While economic progress has been made, it has been impaired by rivalry between the two largest political parties. Bangladesh is a recipient of substantial foreign assistance from abroad. It is also thought to have large reserves of natural gas. Political violence is on the rise in Bangladesh. Awami League Finance Minister A.M.S. Kibria .
