Reviews

This book may be worth buying. I have read and i am confident that i am going to planning to go through once more once again in the future. Its been written in an exceptionally easy way and it is simply soon after i finished reading this publication in which actually altered me, modify the way i believe.

Rebellion, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. The Corhonase citadel is a place of virtue and debauchery - and deadly secrets. For the Laurentine spies embedded there, every day brings danger. Nothing is as it seems, whether in the ballrooms and salons of the nobles court or the catacombs beneath the citadel. Saliel has many secrets; her spying is one, her past as a pickpocket in Laurent s slums is another, but her most deeply guarded secret is the magic she possesses. She walks a narrow path between discovery as a spy and being burned as a witch. With a sadistic Spycatcher closing in, Saliel and her fellow spies are tested to the limits of their endurance. In the fight to stay alive they must trust each other - or die. Magic may be their only hope of survival.
