## INTERVENTIONAL CARDIOLOGY IN THE ELDERLY

Springer-Verlag Gmbh Okt 2015, 2015. Buch Condition: Neu Neuware - This book provides an in depth review of the current practice in treating elderly patients with coronary artery disease (CAD) as well as an update of the existing literature. It is intended to reflect the current science of elderly patients with stable angina, acute coronary syndromes and those patients who are forwarded for CAGB procedures. Evidence in the elderly patient group is often limited and/or non-existent therefore the main challenge,...
