Broadway Books, 2006. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Bill Bryson's laugh-out-loud pilgrimage through his Fifties childhood in heartland America is a national treasure. It's full of insights, wit, and wicked adolescent fantasies." --Tom Brokaw "Bryson is unparalleled in his ability to cut a culture off at the knees in a way that is so humorous and so affectionate that those being ridiculed are laughing too hard to take offense." --"The Wall Street Journal" "A cross between de Tocqueville and Dave Barry, Bryson writes about America in a way that's both trenchantly observant and pound-on-the-floor, snort-root-beer-out-of-your-nose funny." --"San Francisco Examiner" "Bill Bryson could write an essay about dryer lint or fever reducers and still make us laugh out loud." --"Chicago Sun-Times" "Bryson is great company, a lumbering, droll, neatnik intellectual who comes off as equal parts Garrison Keillor, Michael Kinsley, and Dave Barry." --"New York Times Book Review" "Takes us on yet another amiable ramble through terrain viewed with his characteristic mixture of bemused wit, acerbic astonishment and sweet benevolence. We come closest to the real Bryson in this, his first true memoir, encompasses so much of human experience that you want to smile and sob at once. Bryson's evocation of an era is near perfect: tender, hilarious and true." --"The Times (UK)" "A wittily incisive book about innocence, and its limits, but in no sense an innocent book. Like Alan Bennett, another ironist posing as a sentimentalist, Bryson can play the teddy-bear and then deliver a sudden, grizzly-style swipe. might tell us as much about the oddities of the American way as a dozen think-tanks." --"Independent" "Always witty and sometimes hilarious. wonderfully funny and touching." --"Literary Review (UK)" "A funny, effortlessly readable, quietly enchanted memoir. Bryson also provides a quirky social history of America. he always manages to slam on the brakes..."
